## **SUBJECT: PETS IN THE TERMINAL BUILDING**

---

Out of care and concern for your companion animals, Regina Airport Authority has instituted and enforces a no pet policy.

No pets will be permitted in the airport terminal building with the exception of service animals<sup>1</sup> or pets being transported by air in a kennel or pet carrier / container.

We ask that you please respect this policy and say hello or goodbye to your pets outside the airport terminal building.

<sup>1</sup>For purposes of this policy, a service animal is defined as an animal which provides assistance, service, or support to a person with disabilities and which is needed as a reasonable accommodation to such individual with disabilities (for example, a dog guiding and individual with impaired vision or alerting an individual with impaired hearing).
