## A “GRAND” NEW DIRECT, NON-STOP FLIGHT TO FREEPORT, GRAND BAHAMA ISLAND

Replace that heart shaped box of chocolates and really say “I love you” this Valentine’s Day by booking a direct, non-stop flight out of YQR (Regina International Airport) to the Bahamas.

Starting Friday, February 19, 2016 Sunwing will now offer an additional sun destination one time per week, direct, non-stop to Freeport, Grand Bahama Island. The flights will depart and return on Fridays with a convenient mid-morning departure time from YQR. The timing of this departure will allow travellers from southern Saskatchewan time to arrive at YQR and thus provide another unique sun destination option for all travellers.

“The news of an additional sun destination offered by Sunwing mid-season is fantastic and supports the demand and growing number of Regina and southern Saskatchewan leisure travelers looking for a quick and easy getaway this time of year,” said Richmond Graham, President and CEO, Regina Airport Authority. “As the saying goes – Life is better in the Bahamas – why not find out for yourself?”

In addition to 12 international sun destinations within Mexico, Jamaica, Cuba, Dominican Republic and the Bahamas, YQR offers non-stop connectivity to 7 domestic destinations, 3 transborder destinations and one-stop connectivity to 250 destinations worldwide.
