

***History Alive! Vignettes* featured at YQR**

Regina International Airport (YQR) is pleased to participate in the promotion of *History Alive! Vignettes*.

History Alive! Vignettes are live performances taking place this summer at Government House and the Saskatchewan Legislative Building. These vignettes highlight life at Government House from 1898-1910 and at the Saskatchewan Legislative Building during 1911 and 1919. The full performances are approximately 30-minutes in length, performed in both English and French and admission to attend is free. These performances take place Sundays and Tuesdays at Government House and on Mondays at the Saskatchewan Legislative Building until August 18, 2015. During this time YQR will promote this unique and engaging tourism experience to our guests and community inside our Arrivals Hall.

As a special treat for our arriving guests, YQR will feature snippets of the *History Alive! Vignettes* in the Arrivals Area on Tuesday, July 28 from 9:15 am to 11:30 am and we invite members of the media to join us for a small sample of these live performances.
