

YQR Economy Parking Lot ready for holiday travellers!

Regina International Airport (YQR) has had a busy year with many renovations and enhancements inside and outside the main Air Terminal Building. The YQR Economy Parking Lot was recently completed and is now open and ready for use.

“The Regina International Airport (YQR) continues to welcome over 1.25 million passengers annually and this has put significant demand on our parking facilities year round. Our Economy Parking Lot addresses this demand while offering travellers choice,” said Dick Graham, President and CEO, Regina Airport Authority. “In addition to meeting the parking needs of our travellers during this busy travel season and beyond, we are delighted to integrate energy efficient plug-ins and LED lighting into our Economy Parking Lot.”

As YQR continues to stay ahead of the increased demand we will continue to monitor our parking facilities and enhance service offerings as we prepare for further growth and expansion in the coming years.

The YQR Economy Parking Lot, for stays longer than two hours, is equipped with 400 parking stalls. Daily rates are \$2.00 for the first hour or part thereof, \$2.00 for each additional hour or part thereof to the daily maximum rate of \$11.00 for 24 hours.

To find out more about parking options at YQR and to view a map of parking lot locations please visit www.yqr.ca.
