

## YQR helping keep STARS in our community and the skies again!

YQR connects people to our community and demonstrates our commitment through principal events like the annual YQR Charity Golf Tournament held Friday, August 21, 2015. The event held at Hillcrest Golf Course in Moose Jaw raised \$3,885 through raffle and live auction with Regina Airport Authority matching these proceeds for a total donation of \$7,770 to STARS, the Regina Airport Authority employee selected charity of choice for the second year in a row.

"We appreciate the support of our YQR family, airport partners and stakeholders for making this annual event a continued success," said Dick Graham, President and CEO, Regina Airport Authority. "The Regina International Airport takes great comfort knowing that critical emergency air response is close at hand to those in need as a result of STARS and the great work they do across southern Saskatchewan."

"Critically ill and injured patients across Saskatchewan depend on STARS to get them access to advanced medical care, be it from the side of the road or a rural hospital," said Trevor Mitchell, Base Director for STARS in Regina. "STARS strives to provide the best in patient care, and this is possible only through the support and generosity of partners like Regina Airport Authority. Thank you for helping keep STARS in the sky."
